Automated Twitter Manager

● ● ●

Patrick Baier, Morgan Burrows, Josh Trujillo, Richard Poulson, and Tyler Mooney

Tools Used

Github - 5

Slack - 4

Trello - 2

Heroku - 5

MongoDB - 5

Doxygen - 3

Methodology

We primarily used Agile for this project, having meetings every few weeks where we would decide on the next direction to work towards.

Challenges

Communication

Incorporating APIs

Little beginning knowledge

Scheduling Tweets
